

# Mentor Program

## WELCOME FELLOWS

Fund for Teacher's Mentor Program serves to amplify the rich ideas and plans Fellows have by facilitating mentoring relationships that connect mentees with experienced Fellows. Working together, these accomplished educators refine fellowship plans to maximize summer learning experiences and to propel impact in the classroom.

Do you have a desire to collaborate for student achievement or build your network of like-minded peers? Send us an email to get started: [info@fundforteachers.org](mailto:info@fundforteachers.org)
